### Instructions for filling out the form

1. Qualifications for applying to land on the island: faculty and staff of public and private schools approved by government organizations, senior elementary school students and above, and researchers and assistant staff from research institutions approved by government organizations.
2. Open times: 9 am to 5 pm every Wednesday from March 1st to November 30th.
3. Application procedure: the application form should be sent to the office by official letter a minimum of 15 days before the date of island landing, (No. 36, Xinglong Street, Fulong Village, Gongliao District, New Taipei City, 228), and the envelope should be marked Guishan island landing application form for "Educational Study and Academic Research"
4. This form must be filled out in detail, otherwise it will not be accepted; the applicant (leader) must be over 18 years old and is responsible for personnel safety issues. If the column for number of people in the application form is not enough, an additional photocopy can be made.
5. Any collection of materials is prohibited on the island. If it is necessary for academic research, the reason, type and quantity of materials to be collected should be stated in the official letter, and the collection should be carried out after prior application and with the consent of this office. When going to the island to collect materials, visitors should bring with them the consent letter from the headquarters.
6. Guishan Island is an outlying island ecological marine park and can only be reached by boat. People who have difficulty moving or health problems or are in poor health should reconsider visiting to avoid being overly tired from the boat trip, causing physical discomfort and endangering their lives.
